

Lake Simcoe Georgian Bay Wetland Collaborative

WORKING TOGETHER TO CONSERVE WETLANDS

Workshop Series: Creating Wildlife Habitat

Are you a rural landowner looking for ways to enhance wildlife habitat on your property? **Join us at one of three free "Creating Wildlife Habitat" workshops** and learn about habitat enhancement techniques for wetlands and uplands.

Nov. 12, 2014
7:00-9:00 pm

Wye Marsh Wildlife Centre

Nov. 26, 2014
7:00-9:00 pm

Tiffin Centre for Conservation

Dec. 4, 2014
7:00-9:00 pm

Port Bolster Hall

Events are in collaboration with Scales Nature Park, Severn Sound Environmental Association, Wye Marsh Wildlife Centre, Nottawasaga Valley Conservation Authority, Lake Simcoe Region Conservation Authority and Ducks Unlimited Canada.

Topics will include:

- An overview of wildlife habitat,
- Enhancing habitat for waterfowl and marsh birds,
- Enhancing habitat for turtles,
- Enhancing habitat for fish, and
- Enhancing habitat for pollinators.

Learn more about wildlife habitat enhancement techniques including nest boxes, basking logs, bank stabilization techniques and more. Learn how you can enhance the biodiversity of your property and contribute to a healthy ecosystem. The workshop will also provide information on funding available for projects that improve wildlife habitat.

Please RSVP to any of these events by contacting:
