

Lieutenant-Governor's Greenwing Conservation Award

Nomination Criteria

The Lieutenant-Governor's Greenwing Conservation Award is intended to recognize outstanding leadership, dedication, commitment and achievement by individuals or organizations. The following nomination criteria shall apply:

- (i) Demonstrated leadership in a project or activity that has contributed significantly to public awareness of the value of wetland conservation in Manitoba.
- (ii) Outstanding volunteer service to assist an organization or community-based program or project which benefits wetland conservation in Manitoba.
- (iii) Demonstrated leadership in an education project or activity which has increased public awareness and understanding of the values of wetland ecosystems to Manitoba and their benefit to waterfowl, wildlife and people.
