

Ducks Unlimited Canada 2010 Bike Challenge – Biking for the environment

August 13-15, 2010

Ducks Unlimited Canada is a national, private, non-profit organization that conserves, restores and manages wetland and associated habitats for the benefit of waterfowl, other wildlife, and people.

The **Ducks Unlimited Canada (DUC) Bike Challenge** is a pledge-based fundraising event that provides the opportunity to bicycle 300 km through scenic Quebec in support of wetland conservation. Over 100 cyclists are expected to participate in this second-annual three-day challenge taking place in the Saguenay-Lac-Saint-Jean region from August 13-15 2010.

By pedalling in the DUC Bike Challenge, you'll be demonstrating your commitment to:

- clean water
- sustained habitat for waterfowl and wildlife populations
- reduced pollution and moderated effects of climate change
- all benefits that wetlands provide!

Become part of an extraordinary group who are getting Active By Nature to raise money in the fight against wetland loss.

The \$150 per bicyclist registration fee includes:

- Official DUC Bike Challenge Jersey
- 3 lunches and 1 DUC banquet dinner
- 3 nights accommodations

Register to cycle on your own or as part of a relay team today with the registration form on the back of this brochure!

All proceeds raised supports DUC's wetland conservation mission.
