

Jim Killen

A master artist, avid sportsman and dedicated conservationist, Jim Killen is known around the world as one of the leading dog artists.

Killen spends hours with his camera recording the beauty and serenity of the great outdoors with his own sporting dogs by his side. He feels a special connection and closeness to man's best friend and understands the relationship that exists between an owner and their dog.

Killen's painting *Duck Daze* was selected to join Ducks Unlimited's 2009 Art Portfolio. This limited edition series is available only through Ducks Unlimited fundraising initiatives. The money raised through this program supports Ducks Unlimited Canada's on-the-ground wetland conservation work, scientific research and education programs.
