

Amazing Graze

Healthy stands of forage are the answer to many a farmer's prayer.

It serves as a consistent grazing source, prevents soil erosion, retains nutrients and contributes to a better bottom line for farms. The 2019 Forage Program from Ducks Unlimited Canada and Nutrien Ag Solutions™ is available now and features the extensive line-up of Proven® Seed forage varieties. This could be the miracle you've been waiting for.

Get \$100 per 50lb bag back on forage seed.

Visit your local Nutrien Ag Solutions™ retail location or call DUC at **403-607-5805**. Incentives are available to producers who sign an agreement under this program.
