

Rising Together

A celebration of our conservation community

Like the birds that inspire our work, Ducks Unlimited Canada's (DUC) strength comes from our flock.

It's a group of people united by a passion for the outdoors and driven by a shared purpose to protect the country's precious wildlife and wild places. We call them our conservation community, and for the past 82 years these committed individuals have been the driving force behind our efforts and success. Across the country, across the continent and by the thousands, they rise together in pursuit of a brighter future.

We are inspired by their dedication, grateful for their generosity and humbled by the trust they've placed in us to help achieve their vision for a healthy and sustainable future.

Here are just a few examples of the faces, hearts and hands that are giving life to conservation across Canada...

...with devoted service and loyalty

"When I got started 40 years ago, I was a serious duck hunter. I read an article in a magazine that talked about Ducks Unlimited, and I thought these guys are doing something for me, as a duck hunter. So, I said, I'll support them. And I still believe exactly the same thing 40 years later. Nobody else is creating wetlands and maintaining habitat like Ducks Unlimited."

JOHN JOHNSTON – 40-year volunteer from Hanwell, New Brunswick

*...out of a deep
love for wildlife*

"We knew that, someday, we would no longer be here to enjoy these wild wonders. We didn't want to leave to chance the future of these animals, and their generations to come."

**JEAN-MICHEL DEVINK
AND REBECCA WARREN**

*New landowner partners
from Clavet, Saskatchewan*

...to leave a legacy

"I worry that the nature we enjoy now will end up being experienced only in a tech museum or as virtual reality... I was blown away by the breadth of what DUC does."

DIANA BARR – Feather Society
member from London, Ontario

...to evoke positive change

"Supporting Ducks Unlimited is an opportunity to provide a lasting legacy that will preserve clean air, water and wildlife habitat for generations to come. If we don't do it, who will? And if not now, then when?"

MIKE WOODWARD
President's Council member
from Oakfield, New York

DUC Honour Roll

A celebration of our generous major donors

Major donors are individuals, corporations and foundations that generously support DUC through donations of cash or pledges. Donors at each level are presented with a unique lapel pin and appropriate recognition. This edition of DUC's Honour Roll recognizes donors who have contributed between April 1, 2019 to March 31, 2020. It includes donors who have:

- Made a new gift
- Committed to a pledge
- Contributed to an existing pledge

The Honour Roll highlights some special groups of donors, including President's Council Members (those giving \$10,000 or more annually) and Feather Society members (those who have included DUC in their estate planning). And while not specifically noted in this report, DUC is grateful for the support of Grand Slam donors who contribute to continental conservation by making major gifts to DUC as well as DU Inc. in the United States and DUMAC in Mexico.

Many donors have also chosen to remain anonymous in their giving or prefer no recognition. We are humbled by the generosity of all who are making wetland conservation part of their lives and legacies.
