

## Canadian Navigable Waters Act

Ducks Unlimited Canada hereby gives notice that an application has been made to the Minister of Transport, pursuant to the *Canadian Navigable Waters Act* for approval of the work described herein and its site and plans.

Pursuant to paragraph 7(2) of the said Act, Ducks Unlimited Canada has deposited with the Minister of Transport, on the on-line Navigable Waters Registry (<http://cps.canada.ca/>) and under NPP File Number 2019-501195 a description of the following work, its site and plans:

Breaches to Woodward Dam to enable fish access to Woodward Marsh, In the Fraser River South Arm At Ladner Bend (South Arm Marshes) at three locations on the Woodward Dam east of Rose-Kirland Island, as identified on the attached map.

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above under the Comment section (search by NPP File Number 2019-501195) or, by sending your comments directly to #820-800 Burrard Street, Vancouver BC, V6Z 2J8, if you do not have access to the internet.

Comments will be considered only if they are in writing (electronic means preferable) and are received not later than 30 days after the publication of the last notice. Although all comments conforming to the above will be considered, no individual response will be sent.

Signed at Surrey BC this 2<sup>nd</sup> day of November, 2020

Sarah Nathan,

BC Manager of Provincial Operations,  
Ducks Unlimited Canada
