

CELEBRATING DUCKS UNLIMITED CANADA'S CONSERVATION COMMUNITY

DEDICATED AND DIVERSE. COLLABORATIVE AND CONNECTED. GENEROUS, SELFLESS AND SUPPORTIVE. THERE ARE MANY WORDS TO DESCRIBE THE INCREDIBLE CONSERVATION COMMUNITY THAT SUPPORTS DUCKS UNLIMITED CANADA. These individuals, families, corporations and foundations hail from across North America. They are united by a passion for the outdoors and driven by a shared purpose to protect the country's precious wildlife and wild places.

We are humbled by the trust that every one of them has placed in us to help achieve their vision for a healthy and sustainable future.

DUC HONOUR ROLL

A celebration of our generous major donors

Major donors are individuals, corporations and foundations that generously support DUC through donations of cash or pledges. This edition of DUC's Honour Roll recognizes donors who have contributed between April 1, 2020 to March 31, 2021. It includes donors who have:

- Made an active new gift
- Committed to a pledge
- Contributed to an existing pledge

The Honour Roll highlights some special groups of donors, including President's Council Members (those giving \$10,000 or more annually) and Feather Society members (those who have included DUC in their estate planning). And while not specifically noted in this report, DUC is grateful for the support of Grand Slam donors who contribute to continental conservation by making major gifts to DUC as well as DU Inc. in the United States and DUMAC in Mexico.

Many donors have also chosen to remain anonymous in their giving or prefer no recognition. We are humbled by the generosity of all who are making wetland conservation part of their lives and legacies.

BILL AND KATH TROUBRIDGE – DIAMOND HERITAGE SUPPORTERS

"Some of the earliest memories of my childhood involve duck hunting with my father on the rocky north shore of Lake Erie. Now, five decades later, my wife Kath and I still carry the passion for wetlands, waterfowl and hunting that was instilled so long ago. We recognize that in order to continue this passion both today and into the future, wetlands must be conserved and enhanced to provide vital habitat."

LEIGH PATTERSON – DUC STAFF AND FEATHER SOCIETY MEMBER

“I’ve learned a lot about nature and the environment during my time with DUC. But I’ve learned even more about people. People who are making a difference for nature and the environment. I’m lucky to work alongside colleagues who inspire me every day with their own passionate connections to conservation. I am inspired by how our donors and volunteers put their faith in DUC with their long-term investments in our future. I’ve learned it’s important to put your money where your heart is. All of this has motivated me to leave a planned gift to DUC and join our Feather Society.”

"The most powerful form of philanthropy goes beyond donating funds or delivering impact. It's about advancing the field or cause you're passionate about and helping inspire the next great discoveries and insights that will make the world a better place. DUC's President's Council provides this important philanthropic leadership. I'm proud to help provide reliable annual unrestricted funding for the great minds at DUC to allocate to their highest priorities."
