Volunteer Innovation Award

Please considering nominating a fellow volunteer who has demonstrated outstanding performance and achievement through innovative and creative approaches, resulting in new or improved events, sponsorships, fundraising ideas or volunteer recruitment. Use this form to nominate yourself or a fellow volunteer or a committee who you feel deserves to be nominated for this award.

NOMINATION DETAILS

The following four criteria areas will be used when considering the nomination submissions: (1) Level of Innovation; (2) Effectiveness; (3) Ability to replicate; and (4) Overall Impact. All nominations should explicitly address these four categories. Using the above criteria please summarize how the volunteer's innovative idea made an impact to Ducks Unlimited Canada and/or the community.

REFERENCE (volunteers/chapters nominating themselves must provide at least one independent reference)

Signature of nominator: Date:

DEADLINE FOR NOMINATIONS: February 1, 2022

All nominations will be read by the provincial council selection committee. Depending on the number of submissions, we hope to award a volunteer from each province. The volunteers awarded will receive a certificate and be announced in the next volunteer communication issue of the Soar newsletter.

                              Ducks Unlimited Canada
                              c/o Lisa Peebles
                              1030 Winnipeg St
                              Regina, SK S4P 3W7

ADDITIONAL DETAILS

- DUC directors and staff are not eligible for nomination.
- Nominees not selected and nominees that are selected can be nominated again in subsequent years.
- Both individuals and chapters may nominate themselves.
- Any nominee considered for an award will not be part of the decision-making process for that award.
- Final decisions shall be made based on information from the nomination form only.
