

PATHWAYS TO SUSTAINABILITY

**Delivering conservation
solutions for the future**

2022 DONORS AND SUPPORTERS

Our collective journey toward sustainability is complex, but we are making progress. Thanks to the incredible support from individuals, families, corporations and foundations from across North America, Ducks Unlimited Canada (DUC) is proud to forge new pathways that are leading all of us to a brighter future.

We are extremely grateful for the ongoing support of our conservation community and the many ways they are powering our efforts to deliver collaborative, innovative solutions that benefit both people and nature.

OUR PROGRESS

A celebration of our generous major donors

Major donors are individuals, corporations and foundations that generously support DUC through donations of cash or pledges. Donors at each level are presented with a unique lapel pin and appropriate recognition.

The Honour Roll also highlights some special groups of donors, including President's Council members (those giving \$10,000 or more annually) and Feather Society members (those who have included DUC in their estate planning).

And while not specifically noted in this report, DUC is grateful for the support of Grand Slam donors who contribute to continental conservation by making major gifts to DUC as well as DU Inc. in the United States and DUMAC in Mexico.

Many donors have also chosen to remain anonymous in their giving or prefer no recognition. We are humbled by the generosity of all who are making wetland conservation part of their lives and legacies.

In this reporting time we have also lost individuals who were not necessarily part of DUC's Feather Society/ planned giving program, but who were major donors. We thank them for the gifts they made during their lifetime and we are honoured to have been part of their charitable giving.

Major Donors

This edition of DUC's Honour Roll recognizes donors who have contributed between April 1, 2021 to March 31, 2022. It includes donors who have made an active new gift; committed to a pledge; or contributed to an existing pledge.
